

I want to keep the "Do Not Call" Law in effect. I hate to be bothered after a long day at work with people wanting to sell me something or tell me about their service. If I need a repairman, I can find one in the yellow pages. If I want to contribute to a charity I will only do it through written requests or through payroll deductions to United Way. My privacy and my time are exactly that, and I don't want "UNKNOWN" callers bothering me. Not on my land line or on the cell phone.
